Seating and table

Bedroom/seating
Front seating covers to double bed

Seating
Converts to a bed

The driving seat and controls

Kitchen

Toilet compartment
With corner wash basin

This boat is all there and ready to go but with a bit of TLC could be perfect. It has lots of room inside with separate bedroom, seating and table etc. There is a large bench seat behind the Driving seat. The kitchen washer/drainer is covered by a lift up work top as is the cooker. Electric pumped water to the sink.

The toilet compartment has plenty of room, has a Porta-Potty type toilet and a wash basin. The drain is piped up but inlet water to the tap needs finishing.

The lighting is all high power LEDs. These give light as good as the ordinary bulbs they have replaced but use much less power. There are two new Leisure batteries, a starter battery and a 60 watt solar panel with controller to prevent overcharging. There are two gas bottles for a quick change when one runs out. There is a Maxi catalytic gas heater. BSC 2014 & Licenced till Dec 2012. Engine is a Ford 1100cc inboard marinised by CT Marine. Petrol. Z-drive. TV power point and powered aerial.
